ANTI-AGING SERUM
all skin types

PRODUCT DESCRIPTION
The appropriate word for this wondrous liquid is serum, but its nickname might as well be ‘time eraser’. With regular use, the Modere Anti-Aging Serum buoy up surface bounce and flex as well as enhances the appearance of smooth skin. Resilient and firm will no longer just describe your character; it will also define your face.

BENEFITS OF ANTI-AGING SERUM
• Preserves skin’s youthful, elastic look
• Moisturizes and enhances skin volume
• Plumps the appearance of skin
• Leaves skin silky
• Energizes the look of surface vitality
• Complements the skin’s natural defenses.

ABOUT
Remember what your skin used to look like? We do, because ours still looks fabulous thanks to a magic potion we call Anti-Aging Serum. And, when we say magic, we really mean science. Not only did our skin scientists pay attention to the ingredients we put in, but we even paid attention to the molecular size of said ingredients. They noticed that elastin is better absorbed into the skin when it is a smaller molecular size, thus maximizing its potential benefits. So, by applying Anti-Aging Serum it’s like hitting snooze on your body’s time clock.

DIRECTIONS FOR USE
After cleansing apply in upward, circular motions to areas of the skin where the appearance of aging is a concern. Massage into the skin twice daily. Warning: While tempting, bathing in this will not bring your twenty-something-body back. You’ll see the best results if you just make it part of your preferred Modere Skin Care regime.

Pack size: 45mL.
ANTI-AGING SERUM
all skin types

KEY INGREDIENTS

Maca (Hydrolyzed Lepidium Meyenii Root)
This plant rich in polysaccharides hydrates skin’s surface while visibly enhancing skin tone and luminosity

Hydrolyzed Elastin
A lower molecular-sized version than many counterparts, this unique elastin promotes the appearance of smooth skin, elasticity and firmness

Olivoyl hydrolyzed wheat protein
A mix of natural fatty acids and proteins, it hydrates and preserves the skin from the twin assaults of cleansing and climate

Tetrahexyldecyl Ascorbate
A low-irritant form of Vitamin C, it brightens the skin and visibly diminishes the appearance of flaws

Walnut oil
A very rich oil that’s been used for centuries as a means to fight the signs of age and diminish the appearance of wrinkles

Rye Seed Extract
Gives the skin a volumized and lifted appearance.

INGREDIENTS

Water, octyldodecanol, butylene glycol, C12-15 alkyl benzoate, microcrystalline cellulose, potassium olivoyl hydrolyzed wheat protein, hydroxyethyl urea, cetearyl alcohol, glyceryl oleate, glyceryl stearate, olivoyl hydrolyzed wheat protein, caprylyl glycol, cellulose gum, tetrahexyldodecyl ascorbate, secale cereale (rye) seed extract, panax ginseng root extract, stearyl glycyrrhetinate, juglans regia (walnut) seed extract, hydrolyzed lepidium meyenii root, 1,2-hexanediol, gynostemma pentaphyllum extract, ethoxydiglycol, hydrolyzed elastin, retinyl palmitate, centella asiatica extract, musa sapientum (banana) flower extract, disodium EDTA, fragrance, phenoxyethanol, chlorphenesin.
